

Sources of Temporary Staff

Sources	Person to Contact ¹
1. Staff in the country program in which you are responding to the emergency	The CR
2. The regional office staff of the region in which the emergency is occurring, in particular the RTA for emergencies.	The RD ¹
3. Staff in other country programs within the region. There may in fact already be a regional emergency response roster.	The RD & CRs
4. The Emergency Response Team in Nairobi	ERT
5. The Global Emergency Response Roster	EOps

¹. *Make sure you follow proper communication protocols when communicating with these contact people. For instance, the CR of the country program where you are working should be involved in all communications with the RD. And both should be involved in any communication with anyone outside the region.*
